Post Deployment Health Assessment

Standard	Met	Not Met	Not Applicable - Why?	Comments:
1. Was DD Form 2796 utilized for the assessment?				
2. Was the patient questionnaire of DD Form 2796 filled out completely?				
3. Was there an Overseas Modified Physical Examination and current approved complete physical examination available for comparison?				
4. Is there documentation a HIV AB sample was drawn and properly processed for testing?				
5. Was a proper referral indicated where appropriate?				
6. Is there documentation of proper follow up to the referral?				
7. Are immunizations for the member up-to-date?				
8. Is there a current annual dental examination documented?
